### About This Content

The fertile valleys and trade routes of the Middle East have attracted ambitious conquerors since the beginning of recorded history. Now, *Europa Universalis IV* adds greater depth and more varied possibilities to this crossroads of empires in the new expansion **Cradle of Civilization**. With new decisions and opportunities tied to the historical development of the region in the early modern era, **Cradle of Civilization** further enhances the award-winning grand strategy of *Europa Universalis IV*.

### New Governments:

Powerful decisions related to each of the special government types of the Middle East, including unique mechanics for the Egyptian Mamluks, Persia, and the heirs to Timur.

### Trade Policies:

Activate your merchants in trade nodes for special missions beyond the collection of money – prepare the ground for a future military action or spread Islam to an eager audience.

### Islamic Schools:

Study the doctrines and understandings of the one true faith for special bonuses and diplomatic advantage in a new adjustment to the last of the great Abrahamic religions.

## **Army Professionalism:**

Drill and discipline your armies as you move from the age of mercenary captains to the mass levies of standing armies.

## **Exploit Development:**

Reduce the strength of your provinces for a quick influx of cash or manpower, stripping your nation's future for immediate gain.

## **And more:**

Changes to national ideas, missionary actions, Turkish Janissaries and many other game mechanics.
